

Dear Donor,

We are very grateful for your support of F.C. Portland Academy (FCP). FCP is an inclusive, community-minded, world-class development club, which, through the best overall coach and player soccer programs, provides youth with personal growth, on and off the field.

The vision of our founder, Clive Charles, brought together players and coaches who wanted an environment that was centered on developing personal responsibility, citizenship, and character.

The Wellness of the Club fund is dedicated to and directly supports Clive's vision, his philosophy, and the Club's role in helping the youth of the region realize their academic and athletic potential through the game of soccer.

Please help us continue this vision and support the Wellness of the Club fund. Your donation will help raise money for future fields, current field dues, offset league/tournament fees, strengthen our scholarship program, and increase our operating reserve. These objectives are vital to the explanation of our club and for the success of our players.

F.C. Portland's Soccer Ball Auction will be held on March 4, 2017. Silent Auction will begin at 6:00PM. Live auction and dinner will begin at 7:00PM. The location is the Tiger Woods Center on the Nike World Headquarters Campus.

A donation form is enclosed and is available on our website. Your tax-deductible donation will be featured in either our silent auction or live auction and will be acknowledged in our event catalog. A receipt will be mailed to you following the event.

If you have any questions, feel free to contact us by email at kassi.mccluskie@fcportland.org or give us a call at 503-439-8364. We look forward to hearing from you, and Thank You in advance for your generous support.

Sincerely,
